Re: *Loss Mitigation Status Letter*
Debtor: *Martha Perdomo*
Case No.: *18-45836-ess*

Honorable Judge Stong,

The Undersigned represents the above-referenced Debtor within the herein Loss Mitigation proceedings. This letter is to serve as a written status report on behalf of Debtor Martha Perdomo pursuant to the Eastern District of New York Loss Mitigation Program Procedures.

A Short Sale package for Debtor's residence, the subject premises, was submitted by Debtor's broker, but was marked incomplete. A renewed full and complete short sale application is being finalized for filing on the Equator system to correct any errors in the first short sale application. Accordingly, Debtor respectfully requests a short extension of the Loss Mitigation Order to demonstrate full submission by Debtor (and her broker).

Thank you respectfully for your attention to this matter.

Respectfully Yours,

s/ Stanislav Gomberg
